FINANCIAL DEPARTMENT.

PUBLIC WORKS AND RAILWAY BRANCH.

Circular No. 1, *P. W., dated 27th August* 1908.

To—All Executive Engineers of Divisions, Chief Electrical Engineer, Sanitary Engineer, and all Civil Officers.

Commencing with the Divisional objectionable items, statement for July 1908, the following alterations in the present procedure will be brought into force :—

(1) The statement will, after disposal, be recorded in the Central Office, and not sent to Divisions for record.

(2) All items of objectionable outlay on works costing less than Rs. 500 which are now lumped together, will hereafter be detailed in full, thus affording greater facilities to disbursing and controlling officers for prompt removal of irregularities.

(3) All items which remain undisposed will, as in the case of Audit Notes, be carried forward to the next statement issuing from this office, and wherever necessary, the remarks of the Superintending or Chief Engineer, as the case may be, will be reproduced for information and necessary action.

Circular No. 2, *P. W., dated 29th—31st August* 1908.

To—All Executive Engineers.

An instance having recently occurred in which a large sum of money as Imprest was, contrary to rule, entrusted to a lower subordinate for granting advances to work people, the Comptroller has the honor to request that the following procedure concurred in by the Chief Engineer, may in future be adopted to obtain money to pay advances to labour when the advances have been sanctioned in the first instance :—

(1) If the money is required within the limits of the district, the Executive Engineer will open a drawing account at a Taluk Treasury nearest the site of the work concerned and make payments by cheques on that Treasury.

(2) If, however, money is required in any other district, the Executive Engineer will obtain a Letter of Credit on that Treasury also and, if necessary, make the money available at a Taluk Treasury in that district. He should then issue cheques on that Treasury in favor of the subordinate against that credit; the amounts of cheques so issued being dealt with as laid down in para 971 of the Code.

(3) In no case, however, should subordinates be entrusted with large cash Imprests.

J. S. CHAKRAVARTI,
Comptroller, P. W. and Ry. Branch.

Circular No. 2102—*A. C, dated 1st September* 1908.

To—All Assistant Commissioners, Amildars, Deputy Amildars and Munsiffs.

As the information regarding Departmental and other examinations passed by Assistant Commissioners, Amildars, Deputy Amildars and Munsiffs, given at present in the Quarterly Civil List, is probably not complete, the undersigned has the honor to request the officers mentioned above to examine the entries against their names, and to intimate to his office any additions or alterations to be made.

Some officers have passed the Revenue Examination under the Rules of 1885, which comprised among its subjects Accounts and Registration also. Such officers are exempted from passing the latter tests separately. When the entry against an officer who has passed the Revenue Examination *before 1885* does not indicate this clearly, the fact may also be brought to notice.

J. S. CHAKRAVARTI,
Comptroller.
